About Me Page

Introduction

Hello! My name is Exsel Octaviand Gosal and I'm a student majoring in Application Development at Ciputra University, Makassar. My hobbies are playing games and coding random things because I'm really interested in experimenting and trying out new things that I can do. Okay, what else... Oh yeah! I love My Singing Monsters music! I know that sounds weird, but they're genuinely really catchy and unique!

Question 1/N : blablablablablablabla

Quiz Playing Area

Footer

Target User :
1. Semua user yang memiliki akses ke internet
2. Semua user yang bosan
3. All Ages/General Audience (Other than babies or toddlers since they don't really understand how to read or even use the internet yet)

Tujuan Website :
1. Supaya user dapat main quiz berbagai kategori dan dapat membuat quiz mereka sendiri dengan cara yang gampang dipelajari
2. Supaya user dapat mengurangi kebosanan mereka (hopefully)
